DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 are allowed over prior art of record.

The following is a statement of reasons for the indication of allowable subject matter:

Regarding claim 1, the prior art fails to disclose or make obvious “identifying an opaque defect based on a difference between its light reflection rate and a reference reflection rate, determining a residue height of the opaque defect based on a light transmission rate” and in combination with the other recited limitations of claim 1. Claims 2-6 are allowed by virtue of dependency on the allowed claim 1.

Regarding claim 7, the prior art fails to disclose or make obvious an “identifying at least one opaque defect in the opaque patterns based on a difference between its light reflection rate and a reference reflection rate, determining a residue height of the opaque defect based on its light transmission rate” and in combination with the other recited limitations of claim 7. Claims 8-13 are allowed by virtue of dependency on the allowed claim 7.

Art Unit: 2877

Regarding claim 14, the prior art fails to disclose or make obvious “identifying a reference reflection rate based on the light reflection rates identified for the normal opaque patterns, identifying at least one opaque defect in the opaque pattern based on a difference between its light reflection rate and the reference reflection rate, determining a light transmission rate of the opaque defect, determining a residue height of the opaque defect based on its light transmission rate” and in combination with the other recited limitations of claim 14. Claims 15-20 are allowed by virtue of dependency on the allowed claim 14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
